Timothy Veale
Head of School

Esbjerg International School
Guldager Skolevej 4, 6710
Esbjerg, Denmark

Dear Timothy,

We are pleased to welcome you as a PTC member school for the 2016-2017 school year. Your printable PTC membership certificate is attached; we hope you will display it proudly! Also attached separately is a PTC member logo for placement on your school website.

YOUR MEMBER BENEFITS INCLUDE:

- < Priority registration for all programs as well as priority placement on waitlists.
- < A 10% reduction of program fees for any [PTC](#), [TTC](#), [BTC](#), [CTC](#) or [TLI](#) (Teacher Leader Institute) program.
- < A 10% reduction on consulting fees. The PTC offers [on-site workshops and seminars](#) to individual schools or groups of international schools for school governance, teachers, principals, counselors and business leaders. Schools may opt for pre-set workshops or choose custom workshops, tailored specifically to your own school.
- < Access to [PTCnet](#), [CTCnet](#) and [AdmissionsNet](#), private email forums for principals, assistant principals, curriculum directors, counselors and admission personnel from all member schools. As of 1 September 2016, the staff for whom you provided contact details at the point of registration are now in touch with hundreds of colleagues around the world who share similar challenges and opportunities. You may send us additional personnel at any time. Let your staff know that they are members of this online community of over 1000 at your request so they do not opt out!
- < Listing as a [PTC member school](#) on the PTC website.
- < Complimentary listings for principal or assistant principal vacancies on the PTC website (provided the listing also appears in [TIE](#)). Please contact ThePTC@ThePTC.org to place a listing.

We extend our deepest appreciation for your support. Along with many other quality schools around the world, you have contributed to the further development of international school educators.

Warmest regards,

Bambi Betts, Director
