NEW EIS UNIFORMS WEBSITE

During Summer Concert you had a small sample of the new EIS Uniforms in the Kids Catwalk. PTA has now the pleasure to announce the new website with all available items.

New EIS Logo, full set of high quality and durable Craft sports uniforms and hoodie were designed by PTA in a partnership with Direct Sports. Some of the items will generate revenue back to school projects and Student Council.

Purchase of the uniforms is optional. They were developed as an improvement in quality and design to the old EIS Red Shirt, allowing all kids at school to have a better presentation in external events, as requested by many EIS families.
